

Bonjour à toutes et à tous,

j'espère que les vacances ont été bonnes et que tout va bien.

Voici votre travail pour aujourd'hui :

**1 :** Vous allez reprendre vos productions dans la liste ci-dessous. Je les ai annotées. Cela signifie que j'ai indiqué les endroits où il y a des erreurs et la nature de celles-ci. Vous allez les corriger en tenant compte des indications que j'ai données.

Voici comment le système fonctionne :

- Chaque erreur est signalée en orange.

- Après chaque erreur, une indication est donnée (dans une case) pour vous aider à la corriger.

C'est un travail de précision. Vous aurez **deux** jours pour le faire avec soin.

Cela signifie que vous ne me renvoyez **rien aujourd'hui**. (D'ailleurs, je ne vais pas ouvrir La Forge aujourd'hui, je ne le ferai que demain.)

**2 :** Vous allez également faire 25 tours de Blitz écrits sur les auxiliaires modaux – A1 dans « Je veux m'entraîner. »

**3 :** Pour celles et ceux qui n'ont rien renvoyé, vous faites une séance de devoirs.

Bon courage et haut les coeurs !

S. Cardona.

PS : pour tout problème, vous pouvez me contacter par l'intermédiaire de la messagerie de l'ENT.
