

<b>Anglais Niveau 5ème.</b>	<b>Travail du Lundi 7 Juin 2021.</b>	<b>Fiche 12.</b>
-----------------------------	--------------------------------------	------------------

Bonjour à toutes et à tous,

Voici votre travail pour cette troisième journée de travail en distanciel :

**1 :** Faites une séance de devoirs – Séquence 6.

**2 :** Consultez et comprenez les corrections de vos productions (elles se trouvent au bas de ce document).

**3 :** Vous allez rédiger une phrase en anglais qui parlera de ce que vous voudrez et dans laquelle il y aura une quantité. **Exemple : Il y a beaucoup de sucre dans les sodas.** Il n'est pas nécessaire qu'elle soit complexe, bien au contraire. Vous allez vous entraîner à la prononcer **à haute voix** car vous devrez la proposer à la classe et voir si vos collègues la comprennent bien et s'ils/elles sont d'accord avec vous. Vous mettrez cette phrase proprement **par écrit** sur un bout de papier **qu'il faudra me rendre lors de votre retour en classe**. Un travail oral en classe s'appuiera donc sur vos productions.

L'usage d'un traducteur en ligne serait un **déshonneur** complet... oui je sais, je l'ai déjà dit.

Bon courage et haut les coeurs !

S. Cardona.

PS : pour tout problème, vous pouvez me contacter par l'intermédiaire de la messagerie de l'ENT.
