# Le discours indirect : corpus.

"I always help old people."
↳He said that he always helped old people.

"I have been around the world."
↳She said that she had been around the world.

"I saw you yesterday."
↳I said that I had seen him/her the day before.

"Don't eat too many prunes !"
↳He told me not to eat too many prunes.

"Take me with you !"
↳He begged us to take him with us.

"Can you swim ?"
↳ She asked me if I could swim.

"It may rain this evening."
↳ I told him that it might rain that evening.

"I won't do what you tell me !"
↳ He shouted that he wouldn't do what we told him.

"It is raining."
↳ She says that it is raining.
↳ She has just said that it is raining.

↳ She said that it was raining.

"What will they do ?"
↳ He asked what they would do.
↳Pas de double question !
